### Enchanted Objects

In *Harry Potter and the Chamber of Secrets*, readers learn that Ron Weasley's dad secretly owns an enchanted Muggle car that can fly! The car comes in handy when Ron and his brothers use it to rescue Harry from the Dursleys.

If you could enchant an everyday object to give it a special ability or feature, would you? In the space below, write a short essay identifying the object you'd like to enchant, what magical properties you would bestow upon it, and what might happen as a result!
